FILE No 20/1890 OFFICE OF THE COMPTROLLER OF MYSORE

Bangalore 13th April 1891

From

A RANGASWAMIYENGAR Esq

Comptroller of Mysore

To

The Chief Secretary to the
Dewan of Mysore

With reference to para 2 of your letter Comp A dated 1st April/90 communicating the terms of Mr Saits engagement for serving in the Educational department I have the honor to state that Mr Sait has in his Salary Bill for March last claimed increment from 1st Augt last (1891) he having completed one years service on that date

The post to which he has been appointed is a progressive one with pay rising from a minimum of Rs 400/ to a maximum of Rs 700/ by annual instalments of Rs 50/ He was by special arrangement allowed to start on Rs 500 but there is no specific order as to when he should get the first

increment over and above Rs500

According to clause b(ii) of Section 45 of the Pay and Acting Allowance Code, an officer permitted under clause a(iii) of the same Section to draw his fixed pay in excess of the minimum pay of the progressive appointment should be treated as if he had started on the minimum pay in calculating the service necessary for increments to his pay. If the analogy of this ruling be followed, Mr Scott would not be entitled to any increment till he completes 3 years. Again under Section 44 of the said code an officer cannot count service for fractions of a month towards service necessary for an increment and, if this ruling be applied in Mr Scotts case he can claim the increment only from the 1st instant. I have therefore to request that you will lay this before the Dewan for early orders. In the mean time Mr Scotts Bill has been passed for Rs500/- without the increments.

My dear Sir

Mr Cook writes to say that the increment of Rs 50 to which Mr Jan' entitled at the end of his first year of service is not paid by the Treasury He joined service on the 14th March 1890 on Rs 500 He is therefore entitled to Rs 550 from the 1st April 91 On

Mr Cook

Please see the Remarks in the Pay Book, but there is no mention made that Mr Jack's pay was raised to Rs 550 after 1st April 91

enquiry in the Comptrollers Office I find that the Comptroller is under an impression that as the commencing pay of Mr Tait was 500 Rs and 400 which is the minimum of his grade, he should not get his first increment till two years hence I believe you intended to give annual increments of Rs 50 to Mr Tait although in his case the minimum allowed was Rs 500 If I am correct I beg you will kindly let me know so that Mr Tait's bills for
